

Attracting Your Ideal Partner

I know for many, it seems you always tend to attract the same type of person in your life. Unfortunately for some people, it is not always the most ideal person you would like to have in your life, ESPECIALLY if you are looking for that special someone to share your life with!!

We as human beings tend to focus on the negatives of what we don't want and through "The Law of Attraction" it just keeps bringing more of what we don't want in our life, including the people that are in our life!!

The Good News Is.....

Through your previous experiences with others is that you can NOW clearly define what you "**Do Want**" through what you know CLEARLY "**Do Not Want**" in another person.

Okay, Now...

Step One

I want you to get a sheet of paper and draw a line down the center of the page. Mark at the top on the left side "**A**" and on the right top side "**B**". I want you to think of and write down at least 4 things you absolutely DO NOT WANT in another person (be as specific as possible) in column "**A**". Take as long as you need to do this process before moving to step two.

Step Two

Now that you have done Step One, I want you to take each individual sentence that you wrote down and turn that into the opposite of what you wrote down. For example, if you wrote "I Do Not Want" a person who talks about themselves all the time. You could now say, I want a person who is a great listener and values what I have to say. It is important to visualize every little detail about what your ideal person will look like (passionate, connected, fun, loving, etc.)

Step Three

Now you are going to create a "*Desire Statement*" from what you "*Do Want*" (step two) in another person and use what you wrote to finish sentences 2 through 5.

Note: Once you have completed the "Desire Statement" it is crucial to read & feel into your customized statement when you wake up and just before you go to sleep at night for at least 40 consecutive days. (Results will vary on the individual person.)

The first sentence will read:

"I am in the process of attracting all that I need to be, do know and have, to attract my ideal desire."

Sentences 2 through 5 start with:

I love knowing that my ideal.....

I love how it feels when.....

I've decided.....

It excites me that.....

Closing Sentence:

"The Law of Attraction is unfolding and orchestrating all that needs to happen to bring me my desire."
